Halfway through Term 4 2023!

Friday 17th November is the public holiday, Canterbury Anniversary, we will **not** be running lessons on that Friday. We **will be running** lessons on Saturday 18th November.

Week 9 – Summer Water Safety Week

During the week of 4th – 8th December we will be running our summer water safety week to help swimmers feel prepared for summer swimming activities. If your swimmer has their own lifejacket, please bring it for their lesson this week to practice using water safety equipment they will be using all the time.

Week 11 – 2nd Swim School Summer Games

We will host our 2nd year of Swim School Summer Games during Week 11, Monday December 18th – Saturday 23rd December. During this week we will carry on with the normal LTS lesson schedule while running our Swim School Summer Games to introduce swimmers to the competitive fun side of the swimming world. You will have the option to opt out of classes and not get charged for that week if you let us know before the Monday 4th of December (before week 9's water safety week).

Shutdown Period and Holiday Swim Lessons

Our Swim School will be closed for the holidays from Monday 25th December 2023 – Sunday 7th January 2024.

We will start our holiday swim lessons with Week 1: 8th – 12th January, Week 2: 15th -19th January, Week 3: 22nd – 26th January. The start of Term 1 2024 will be Monday 29th January 2024. We look to have the schedule out during Week 8 of this term.
