Welcome to Swim Lessons 2023

Welcome to those coming back or starting new with us for 2023 swim lessons. We hope you all had a safe and splashy holiday!

Envibe Update

A really neat update with Envibe, our facility software, has unlocked a new feature where we can break down the grading system into further progressions of competencies. We are excited to bring this to you in the near future. We believe this will help in bridging the communication between instructors and parents on where your swimmers are in their level and how they are progressing. There will be further communication with you as we continue to upgrade our system.

Term 1 2023

Term 1 2023 starts back Monday 30th January 2023. Please note that our Swim School **will** run swim lessons on Saturday 4th February even though Waitangi Day is on Monday 6th February. For those who have a lesson on Mondays, we **will not** hold lessons on Waitangi Day Monday 6th February. Our term this year will run 10 weeks and finishes on Thursday 6th April due to the Easter Holiday long weekend.

Mission as a Swim School

Over the holidays we took some time to reflect on what our mission is here at the EA Networks Centre Swim School and wanted to share with you our mission and purpose within the community.

Why do we exist as a Swim School?

To educate the community on water safety and create passionate swimmers.

As parents, swimmers, instructors and the leadership team our mission:

We endeavour to make our Swim School a space where swimmers feel safe to learn life savings skills and advance technique to fuel whatever passions they have in life.

We all have the common goal of making sure our whānau are safe in the water and are honoured to be a part of your swimmer's life with learning these essential life skills.

We are excited to start and cannot wait to see everyone's smiling faces!

As always if you have any questions or feedback, please let us know on eanccsr@adc.govt.nz
