Term 2 Swimming Wrap Up & Special Dates

-Matariki Public Holiday falls on Friday 28th June with **no swim lessons scheduled**. *Please note that we will still be running swim lessons on Saturday 29th June.

-This term our Swim School's Cold Water, Water Safety Day will be during Week 8 (17th – 22nd June) of the term. During this week we will be learning about how to stay safe in cold water. Please bring a spare change of clothing/pj's for your swimmers to wear during lessons as we will be running activities in a controlled environment for children to learn how to stay safe if they were to fall into the water while wearing clothing.

Changes for our Swim School

We want to thank everyone for your patience this term as we have had a fair bit of unpredicted injuries and illnesses run through our Swim School Team and Facility.

We would also like to make the official announcement of our new Swim School Coordinator who is looking after the waterbabies/preschool and Schools space, Maria McDonnell. Maria has completed her first week with us and is very excited to be able to continue to keep the community water safe!

Fees & Charges Update

All facility members would have received an email at the beginning of June regarding the fee & charges increasing on 1 July 2024. If you have not yet read that email please click [here](#) for full details as this includes the Swim School space.

Holiday Swim Lessons are Open for Booking!
