## Swim School Mission

With the start of the new year, we wanted to let those who are new know or remind those who are always here our purpose and mission to the community.

Why do we exist as a Swim School?

To educate the community on water safety and create passionate swimmers.

As parents, swimmers, instructors and the leadership team our mission:

We endeavour to make our Swim School a space where swimmers feel safe to learn life savings skills and advance technique to fuel whatever passions they have in life.

We all have the common goal of making sure our whānau are safe in the water and are honoured to be a part of your swimmer's journey with learning these essential life skills.

We are beyond excited to have everyone back and have some splashy good times!
